Description of Work

Sl.No	Items of Works	Quantity	Unit
1.	Shikhara grazing slim asymmetrical LED wall washer — 9W approx. 300 mm module; IP66; IK08; CRI 90; UV free; asymmetric approx. 12°×60° optic; stone matched/RAL finish; complete SITC with aiming, glare control, connectors and reversible mounting accessories	32.00	Nos
2.	Shikhara slim asymmetrical LED wall washer/profile — 18W nominal output; 1.0 m nominal module for measurement; IP67; IK08; slim profile W16 mm, H20 mm; stone-matched finish; complete SITC including driver/connector interface and reversible mounting.	36.0	Nos
3.	Chhajja slim asymmetrical LED profile — 18W/m; IP67; IK08; slim profile W16 mm, H20 mm; warm heritage CCT as approved by mock-up; stone-matched finish; complete SITC in reversible stone channels with connectors and accessories	220.00	M2
4.	Plinth / platform grazing LED wall washer — 40W / approx. 1000 mm; IP66; IK08; CRI 90; UV-free; controlled asymmetric wall-wash optic; stone-channel mounted, non-invasive, reversible; complete SITC including glare control and aiming	100.0	Nos
5.	Wall panel / jangha grazing LED wall washer — 40W / approx. 1000 mm; IP66; IK08; CRI 90; UV-free; asymmetric grazing optic; stone-channel mounted; complete SITC with aiming and glare-control accessories.	96.0	Nos
6.	Ultra-compact LED column uplight — 12W; dia. 60 mm; height 35 mm; IP66; IK07 minimum; CRI 90; UV-free; honeycomb louvre and snoot; reversible pad/stone channel mounting; complete SITC	32.00	Nos
7.	Shikhara central spine LED grazer — 35W; controlled asymmetric beam; IP66; IK08; CRI 90; UV-free; stone matched/RAL finish; complete SITC including shielding, aiming and reversible mounting.	4.0	Nos.
8.	Shikhara base accent LED spot — 25W; medium beam; IP66; IK08; UV-free, CRI 90; blue conten	12.0	Nos.
9.	Amalaka accent LED spot — 75W; very narrow beam; IP66; IK08; UV-free, CRI 90; snoot/glare shield; precision aiming to prevent sky spill; complete SITC with reversible/freestanding mounting as approved	4.0	Nos
10.	Kalasha accent LED spot — 100W; very narrow beam; IP66; IK08; UV-free, CRI 90; snoot/glare shield; precision aiming; complete SITC. Final aiming only after night-time mock-up approval.	4.0	Nos
11.	IP67 remote driver boxes — Weatherproof, lockable, non-corrosive driver enclosure; IP67 minimum; UV stabilised; IP-rated glands/connectors; ferruling, circuit labels, earthing continuity and minimum 20–25% spare driver capacity where applicable; complete SITC.	42.0	Nos
12.	IP68 junction boxes — SS316 / corrosion-resistant IP68 junction box with approved gel/resin connectors, IP-rated cable glands, terminals, ferrules, earthing continuity and identification; complete SITC.	38.0	Nos
13.	Custom reversible stone channels — CNC/fabricated stone-matched channels/trays for profiles and concealed cable	300.0	Rmt

	routing; mechanically stable but non-invasive to heritage fabric; removable/reversible fixing system; complete fabrication, finishing and installation.		
14.	3½-core × 35 sq.mm XLPE armoured aluminium cable — Providing, laying, testing and commissioning 1.1 kV grade, 3½-core × 35 sq.mm stranded aluminium conductor XLPE insulated armoured cable conforming to IS 7098 (Part 1), latest amendments, including clamps/route accessories and terminations as applicable	200.0	Rmt
15.	3-core × 2.5 sq.mm FRLSZH copper cable — Supply, laying, testing and termination of 3-core × 2.5 sq.mm, 1.1 kV grade, stranded copper conductor FRLSZH cable suitable for outdoor lighting circuits, laid in approved conduit/raceway with identification and complete accessories	800.0	Rmt
16.	3-core × 1.5 sq.mm FRLSZH copper cable — Supply, laying, testing and termination of 3-core × 1.5 sq.mm, 1.1 kV grade, stranded copper conductor FRLSZH cable suitable for outdoor lighting circuits, laid in approved conduit/raceway with identification and complete accessories.	600.0	Rmt
17.	25 mm HDPE / approved flexible protective conduit — Providing and laying 25 mm heavy-duty HDPE / approved flexible protective conduit (or nearest approved manufacturer size compatible with cable OD/fill), including bends, couplers, saddles/clamps and complete accessories; no chasing of heritage fabric.	300.0	Rmt
18.	Excavation and reinstatement for cable route in approved non-heritage areas — Careful excavation only in approved non-heritage areas for cable/conduit route, including barricading, temporary protection, disposal/stacking as directed, laying assistance, backfilling, compaction and reinstatement to original finish; archaeological/heritage clearance mandatory before excavation	200.0	cum
19.	Copper earth pit with chamber — Complete dedicated copper earthing installation with approved electrode system, inspection chamber/cover, earth lead/strip or wire, clamps, joints, terminations, watering arrangement where specified, testing and earth-resistance record, complete	2.0	Nos
20.	Main lighting control panel — IP65 outdoor/approved indoor panel, 415V, 3-phase, 4-wire, 63A TP&N minimum; main isolator/MCCB, Type II SPD, energy meter, C-01 to C-16 individually isolatable outgoing RCBO/MCB feeders, astronomical timer with manual override, control relays/contactors, labels/ferrules, neutral/earth bars and minimum 25% spare capacity; complete SITC, testing and commissioning.	1.0	No

Note: Rate and Amount to be filled in the uploaded BOQ.

9. The quantity/ item of work can be increased/ decreased as per the site requirements
10. The materials pertaining to the work will be checked by a competent officer.
11. The successful tenderer will have to deposit Performance Security Deposit / Performance Bank Guarantee (PBG) of 5% of order value in favour of "The Superintending Archaeologist, Archaeological Survey of India, Aurangabad Circle, Chh. Sambhajinagar " payable at Chh. Sambhajinagar within 07/14 days from the date of issue of Letter of Intent / Acceptance to them.
12. The eligible registered contractor / registered firm has to bear with the non-availability of funds for the work and has to wait till fresh allotments are made. No interest payment for the delay in payment will be made by the ASI. The quantum of work can be modified as per availability of the funds and need of the work. Department will not be held responsible for financial loss incurred by Contractor under any circumstances.

13. The contractor should take utmost care and to see that no damage is caused to any part of the monument while execution of work.
14. Conditional bids shall not be considered and will be rightly rejected in the very first instance.
15. The ASI reserves the right to amend or withdraw any of the terms and conditions contained in the Tender Documents or reject any or all tenders without giving any notice or assigning any reason, The decision of the superintending Archaeologist, Archaeological Survey of India Aurangabad Circle Chh. Sambhajinagar in this regard shall be final and binding on all parties in all circumstances.
16. Contractor will be responsible for timely payment to the supplier/labour and statutory authorities and compliance of all statutory provisions relating to minimum wages/specified contract amount etc. in respect of the person deployed by him in the work.
17. The contractor shall also be liable for depositing all tax, levies, cess etc. on amount of work done/ supply of materials/service rendered by him to the ASI to the concerned tax collection authorities from time to time as per extant rules and regulations on the matter.
18. The total cost/ amount by the bidders shall be worked out for deciding the lowest bidder for acceptance of tender.
19. The quoted rate should include all applicable Govt. taxes, levies, cess etc. to be paid till the completion of work.
20. The discretion of acceptance of tender remains with the Circle/Branch officer/Regional Director/Director General, A.S.I. who does not bind himself to accept the lowest tender and reserve the right to reject any or all of the tenders received, without assigning any reason. Tender in which any of the prescribed conditions are not fulfilled or are incomplete in any respect is liable to be rejected.
21. A contractor shall not be permitted to tender for works in the Archaeological survey of India, Aurangabad Circle if any of his near relative is posted as an officer in the circle in any capacity.
22. Engineer of Gazetted rank or other Gazetted officer employed in Engineering or Administrative duties in a Engineering Department of the Government of India is not allowed to work as a contractor for a period of two years of his retirement from Government service without the prior permission of the Government of India as aforesaid before submission of the tender or engagement in the contractor's service.
23. The tender of the work shall not be witnessed by a contractor or contractors who himself/themselves/has/have tendered or who may tender for the same work.
24. Action will be taken/Penalty may be charged on the works/supply for not completing the job within the stipulated time, as per the rules in force.
25. The bidder is compliant to Public Procurement (Preference to Make in India) Order dated 15' June 2017 and subsequent amendments dated 16' September 2020 as relevant and applicable which is available at DIPP's Website http://dipp.gov.in/public-procurements.
26. The bidder is compliant to the provision of Rule 144 (xi) of GFR, 2017.
27. The Contractor/Company/Firm/Agency against whom any judiciary/allegation/litigation is pending at any court is not eligible to participate in the Tender process.
28. All disputes or differences, including the claims for damages and compensation whatsoever, arising between the parties, out of or relating to the construction, meaning, operation or effect of this agreement or the breach thereof shall be settled amicably. However, if the parties are not able to resolve them amicably within a period of 15 (fifteen) days, the same shall be resolved by arbitration in accordance with the Arbitration and Conciliation Act, 1996. The dispute may be referred to arbitration by either party only after notice in writing to the other, clearly mentioning the nature of the dispute/differences. Such arbitration shall be conducted by

an arbitral tribunal consisting of three arbitrators one arbitrator to be appointed by each Party, and the third arbitrator to be nominated by Director General, Archaeological Survey of India, Government of India. The Arbitration and Conciliation Act 1996 or any statutory modification thereof shall apply to the arbitration proceedings and the venue for the arbitration proceedings or any further legal proceedings shall be Aurangabad and courts at Aurangabad shall have exclusive jurisdiction. All the arbitration proceedings shall be carried out in English language.

LIABILITIES, CONTROL ETC. OF THE PERSONS DEPLOYED

1. This Department shall not be responsible for any damages, losses, claims, financial or Injury/accident to any person deployed by service providing agency in the course of their Performing the functions / duties, or for payment towards any compensation.

2. The tendering agency shall maintain all statutory registers under the applicable law. The Agency shall produce the same, on demand, to the concerned authority of this Department or any other authority under law. A Compliance certificate in this regard will be submitted along with the bills every month.

3. The contractor shall commence the work within 15 days of the date of acceptance of the work order or within 15 days from the date of issue of work order whichever is earlier.

4. The contractor/tenderer will be bound by the details furnished to the ASI while submitting the tender or at subsequent stage. In case, any of such documents furnished is found to be false at any stage, it would be deemed to be a breach of terms of contract, making it liable for legal action besides termination of contract and forfeiture of Performance Security.

5. The agency shall depute a coordinator who would be responsible for immediate interaction with the competent authority so that optimal services of the person deployed by the agency are availed without any disruption.

6. The contractor shall be solely responsible for the redresses of grievances/ resolution of disputes relating to person deployed. The ASI shall, in no way be responsible for settlement of such issued whatever.

FORCE MAJEURE

Force majeure clause will mean and be limited to the following in the execution of the contract/purchase order placed by ASI:- "If at any time, during the continuance of contract, the performance in whole or in part by either party of any obligation under this contract shall be prevented or delayed by reason of any war, hostility, act of public enemy, civil commotion, sabotage, fires, floods, explosions, epidemics, quarantine restrictions, strikes, lockouts or act of God (here in after referred to 'events') provided notice of the happening of such events is given by either party shall be reason of such event be entitle to terminate this contract nor shall either party have any claim for damage against the order in respect of such non - performance or delay in performance, and deliveries under the contract shall be resumed as soon as practicable after such event has come to an end or ceased to exist, and the decision of the DG ASI as to whether the deliveries have been so resumed or not, shall be final or conclusive, provided further that if the performance in whole or part or any obligation under this contract is prevented or delayed by reason of any such event for a period exceeding 30 days, either party may at its option to terminate the contract."

APPLICABLE LAW

The work order will be governed by the laws and procedures established by the Govt. Of India, within the frame work of applicable legislation and enactment made from time to time concerning such commercial dealings / processing.

TERMINATION

In case of breach of any of terms and conditions of the Contract by the Contractor, the Competent Authority shall have the right to cancel the Contract without assigning any reason thereof, and nothing will be payable by the C.A. and in that event and the security deposit in the form of performance Bank Guarantee shall be forfeited. The agreement shall be come to an end either on completion of the contract or shall be terminated due to breach of contractual obligations.

MODE OF PAYMENT

R.A. bill and final bill will be paid according to the allotted time for execution of work as per work order.

LIQUIDATED DAMAGE

The contractor fails to execution of work / deliver any or all of the Goods or fails to perform the incidental Works/ Services (e.g. installation, commissioning or operator training) within the time frame(s) incorporated in the contract, the Procuring Entity shall, without prejudice to other rights and remedies available to the Procuring Entity under the contract, deduct from the contract price, as agreed liquidated damages, but not as a penalty, a sum equivalent to the 1% percent of the contract, of the delivered price (including elements of GST & freight) of the delayed Goods or incidental Works/ Services for each week of delay or part thereof until actual delivery or performance, subject to a maximum deduction of the 10% of the delayed Goods/ Works/ Services' on contract prices.

(Signature of the Bidder, with Official Seal)

Instruction for Online Bid Submission

The Bidders are required to submit soft copies of their Bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions give below are meant to assist the Bidders in registering on the CPP portal, prepare their bids in accordance with the requirements and submitting their Bids online on the CPP Portal.

More information useful for submitting online Bids on the CPP portal may be obtained at: http://eprocure.gov.in/eprocure/app.

REGISTRATION

1) Bidder are required to enroll on the e-Procurement modules of the Central public procurement portal (URL: http://eprocure.gov.in/eprocure/app) by clicking on the link "**Online Bidder Enrolment**" on the CPP Portal which is free of charge.

2) As part of the enrolment process, the Bidders will be required to choose a unique username and assign a password for their accounts

3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.

4) Upon enrolment, the Bidders will be required to register their valid Digital Signature Certificate (Class II or class III Certificates with signing key usage) issued by any certifying authority recognized be CCA India (e.g. Sify / Ncode / EMudhra etc.), with their profile.

5) Only one valid DSC should be registered by a Bidder. Please note that the Bidders are responsible to ensure that they do not lend their DSCs to others which may lead to misuse.

6) Bidder then logs in to the site though the secured log-in by entering user ID / password and the password of the DSC / e- Token.

SEARCHING FOR TENDER DOCUMENTS

1) There are various search options built in the CPP Portal, to facilitate Bidders to search active tenders by several parameters .These parameters could include Tender ID, organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the Bidders may combine a number of search parameters such as organization name, Location, Date, other keywords etc. to for a tender published on the CPP Portal.

2) Once the Bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the Bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.

3) The Bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS

1) Bidder should take into account any corrigendum published on the tender document before submitting their Bids.

2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the Bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents –including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the Bid.

3) Bidder, in advance should get ready the Bid documents to be submitted as indicated in the tender document / schedule and generally they can be in PDF / XLS / RAR / DWF / JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.

4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every Bid, a provision of uploading such standard documents (e.g. PAN card copy , annual reports, auditor certificates etc.) has been provided to the Bidders. Bidders can use "My Space "or "other important documents "area available to them to upload such documents. These documents may be directly submitted from the " My Space" area while submitting a Bid, and need not be uploaded again and again .This will lead to a reduction in the time required for Bid submission process

SUBMISSION OF BIDS

1) Bidder should log into the site well in advance for bid submission so that they can upload the Bid in time i.e. on or before the Bid submission time. Bidder will be responsible for any delay due to other issues.

2) The Bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.

3) Bidder has to select the payment option as "Offline" to pay the tender fee / EMD as applicable and enter details of the instrument.

4) Bidder should prepare the EMD as per the instructions specified in the tender document. The original should be posted/couriered/given in person to the concerned official, latest by the last date of Bid submission or as specified in the tender documents. The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during Bid submission time. Otherwise the uploaded bid will be rejected.

5) Bidders are requested to note that they should necessarily submit their financial Bids in the format provided and no other format is acceptable. If the Bid has been given as a standard BOQ format with the tender documents, then the same is to be downloaded and to be filled by all the Bidders. Bidders are required to download the BOQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the Bidder). No other cells should be changed. Once the details have been completed, the Bidder should save it and submit it online, without changing the filename. If the BOQ file is found to be modified by the Bidder, the Bid will be rejected.

6) The server time (which is displayed on the Bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the Bids by the Bidders, opening of Bids etc. The Bidders should follow this time during Bid submission.

7) All the documents being submitted by the Bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The entered cannot be viewed by unauthorized

persons until the time of Bid opening. The confidentially of the Bids is maintained using the secured socket layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any Bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/Bid opener's public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized Bid openers.

8) The uploaded tender documents become readable only after the tender opening by the authorized Bid openers.

9) Upon the successful and timely submission of Bids (i.e. after clicking "Freeze Bid Submission" in the portal), the portal will give a successful Bid submission message & a Bid summary will be displayed with the Bid no. and the date & time of submission of the Bid with all other relevant details.

10) The Bid summary has to be printed and kept as an acknowledgement of the submission of the Bid. This acknowledgement may be used as an entry pass for any Bid opening meetings.

ASSISTANCE TO BIDDERS

1) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender of the relevant contact person indicated in the tender.

2) Any queries relating to the process of inline Bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk Mobile Number- +918826246593 Tel: The 24 x 7 Help Desk Number 0120-4200462. 0120-4001002.
